

SURVIVOR's is back again in 2012 for its 2nd season. Our first year of the Survivor's Tournament Series was one of the highlights of 2011. The format will remain the same and teams will once again compete "Around the Clock" for the title of being the last team standing, and we mean that literally! The tournament will be held July 13-15. Camping areas will be available to accommodate those wishing to bring tents and other items to set up a camp for their team(s).

The format of the event will allow participants to compete on both a Men's / Women's and Mixed team without the possibility of games overlapping. The tournament will be segmented so that each division is run at selected times to allow for maximum participation.

Teams are **guaranteed 5 games** and the entry fee is \$225.00. The tournaments will start off with teams being placed into pools and depending on how your team finishes pool play you'll then be placed into one of two championship brackets. Upon being placed in a bracket each team will still have a chance to win up to \$1000 in prize money and claim a championship for their respected division. 2 Champions per division!

Prize money for Men's & Mixed will be \$2000 based on 24 teams in each one of those divisions. \$1000 per bracket.

Prize money for Women's will be \$1000 based on 12 teams in that division. \$500 per bracket.

If the maximum number of teams is not met the prize money will be prorated for each division.

Tournament Rules: Depending on the number of teams, teams will be placed in pools of 4 and given 3 pool games to determine parity for the final placing into one of two double elimination championship brackets. Pools will be seeded by a composite of Roster, Points, and Power Rankings to achieve the best equality when teams are placed into the final brackets.

The equalizer rule of 4 runs per class will be in effect for each division and all teams will be allowed 3 home runs per game.

Fun Valley will provide balls and specials will be offered on concession items throughout the event.

Admission is free to all spectators and participants. No outside food or beverage will be allowed into the facility.
